

Quantinuum to Report Second Quarter Financial Results on August 11, 2026

July 27, 2026

BROOMFIELD, Colo., July 27, 2026 /PRNewswire/ -- Quantinuum Inc. (Nasdaq: QNT) ("Quantinuum") today announced it will release its financial results for the second quarter (ending on June 30, 2026) after market close on August 11, 2026.

QUANTINUUM

Quantinuum will host a conference call at 5:00 PM Eastern time that same day to discuss its financial results. The call will be available through a live webcast [here](#).

An archived replay of the webcast will be made available on the Quantinuum Investor Relations [website](#) following the call and will remain available for one year.

About Quantinuum

Quantinuum is a leading quantum computing company offering a full-stack platform designed to make quantum computing deployable in real-world environments. The company has commercially deployed multiple generations of quantum systems built on the well-established QCCD architecture, which it has implemented with novel designs and capabilities to achieve the industry's highest accuracy levels based on average two-qubit gate fidelity as of December 31, 2025. Quantinuum has active engagements with market leaders across pharmaceuticals, material science, financial services, and government and industrial markets. Quantinuum's headquarters is in Broomfield, Colorado, with additional facilities across the United States, United Kingdom, Germany, Japan, Qatar and Singapore.
